

src/des.c

```
graph TD; A[src/des.c] --> B[stdlib.h]; A --> C[time.h];
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'src/des.c'. Two blue arrows originate from the bottom of this box. The left arrow points to a white rectangular box labeled 'stdlib.h'. The right arrow points to a white rectangular box labeled 'time.h'. Both 'stdlib.h' and 'time.h' boxes have thin gray borders.
